

EUROCORR 2021

19-23 September 2021

Budapest, Hungary

CALL FOR SPONSORSHIP AND EXHIBITION

Domestic industries, research and development centres, and educational institutions encounter corrosion related materials degradation problems time to time. Since its foundation in 1992 the Hungarian Corrosion Society (HUNKOR) has got its mission and endeavour to serve the needs of these branches.

Now HUNKOR, the Hungarian professional corrosion engineering society together with Diamond Congress Ltd. has got the privilege to host and organise the **annual Congress and Exhibition of the European Federation of Corrosion /EFC/ in Budapest in 2021**. Each and every year this event is the largest and most important one in Europe attracting many attendees coming from other continents as well.

It means that **attending EUROCORR 2021 Conference and Exhibition in Budapest** should and will provide a great opportunity for all the materials and metals processing and metal parts manufacturing and assembling companies. Colleagues are also welcome from the primary metal producers to the surface finishing specialists, dealing with sophisticated techniques of surface and corrosion protection technologies including the implementation of evolving new materials, special additives and novel composites used e.g. in coatings and in many other ways to fight against corrosion and protect our products from unexpected or too fast degradation leading to materials failures and sometimes even to catastrophic events.

Considering the new international trends in this field, the motto of EUROCORR 2021, Budapest is the following:

*Materials science and advanced technologies
for better corrosion protection*

To reach this aim, the organisers of EUROCORR 2021 would like to invite You to contribute in this important event, which will provide high-level scientific presentations scheduled in many parallel sessions for four days. Our agenda includes plenary and keynote lectures by internationally recognised experts, several workshops, discussion forums and exhibition to let industrial stakeholders introduce themselves in an effective way.

Why is it worth sponsoring?

EUROCORR 2021 provides a **wide range of opportunities** to promote your company among the representatives dealing with corrosion and protection of materials, coming from the institutional and industrial background from all around Europe and even from overseas. Around **1,000 delegates** are expected to attend EUROCORR 2021.

We offer several sponsorship packages as well as supplementary options to take the advantages of this event and achieve the highest exposure to your company. We are convinced that this event presents excellent options to exhibit your technology and services to a large number of counterparts and to become a sponsor of this event to make your enterprise more attractive.

The annual event of the European Federation of Corrosion will also be an excellent opportunity to develop effective advertisements that will meet your requirements for a captivating presence. The exhibition will be located right in the middle of the coffee break zone to attract visitors.

About EFC

The EFC is a federation of 38 organisations (Member Societies and Affiliate Members) with interests in corrosion based in 25 different countries within Europe and beyond. Taken together, its Member Societies represent the corrosion interests of more than 25,000 engineers and scientists. Founded in 1955, its aim is to advance the science of the corrosion and protection of materials by promoting cooperation in Europe and collaboration internationally.

Themes of EUROCORR 2021

The major theme of EUROCORR 2021:

Materials science and advanced technologies for better corrosion protection

The scientific programme is set to be wide ranging and diverse with topics including:

- ✓ CORROSION AND SCALE INHIBITION
- ✓ CORROSION BY HOT GASES AND COMBUSTION PRODUCTS
- ✓ NUCLEAR CORROSION
- ✓ ENVIRONMENT SENSITIVE FRACTURE
- ✓ SURFACE SCIENCE AND MECHANISM OF CORROSION AND PROTECTION
- ✓ CORROSION EDUCATION
- ✓ PHYSICO-CHEMICAL METHODS OF CORROSION TESTING
- ✓ MARINE CORROSION
- ✓ MICROBIAL CORROSION
- ✓ CORROSION OF STEEL IN CONCRETE
- ✓ CORROSION IN OIL AND GAS PRODUCTION
- ✓ COATINGS
- ✓ CORROSION IN THE REFINERY AND PETROCHEMISTRY
- ✓ CATHODIC PROTECTION
- ✓ AUTOMOTIVE CORROSION
- ✓ TRIBO-CORROSION
- ✓ CORROSION OF POLIMER MATERIALS
- ✓ CORROSION AND CORROSION PROTECTION OF DRINKING WATER SYSTEMS
- ✓ CORROSION OF ARCHAEOLOGICAL AND HISTORICAL ARTEFACTS
- ✓ CORROSION CONTROL IN AEROSPACE
- ✓ CORROSION RELIABILITY OF ELECTRONICS
- ✓ CO₂-CORROSION IN CCS-APPLICATIONS
- ✓ ATMOSPHERIC CORROSION

Destination and Venue

EUROCORR 2021 will be held in **Budapest, Hungary**. As the capital of Hungary, Budapest, with its population of around 2 million, is among the world's most romantic and most entertaining capitals. The city is divided into two parts by the meandering Danube River, ironically spanned by several stunning bridges. Budapest is a city full of surprises and wonder, with its lively centre, pretty parks, the majestic Danube River, tall church spires and gorgeous spas. One of the most exciting cities in the world, Budapest is full of secrets, hidden spots to explore and old favourites to revisit. This is the city where being bored is not an option.

There is something else too, that keeps bringing visitors back to us – the **legendary Hungarian hospitality**. Experience it yourself in **Budapest Congress Centre**, where EUROCORR 2021 will take place. This convention centre is the largest, most modern congress and meeting facility in Hungary with 20 multi-functional rooms, high quality catering services, state of the art on-site audio-visual support and a maximum of 4,000 m² of exhibition space to welcome up to 2,000 people.

Visiting Budapest is not just about discovering the past; it is also an opportunity to witness a city building its own bright future.
